

Computing Coverage 2017/18

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Reception	Beginning to use a range of technology and recognising technology in the environment.		Programming		Use computers and appropriate hardware	
Year 1	Presenting Information – creative digital content		Introduction to computer science	Programming	Introduction to simulations and modelling	Searching and selecting information
Year 2	Presenting information		Programming		Online Presence and behaviour	Data and Information
Year 3	Presenting Information – Text and images	Images, video and animation	Digital Research	Electronic Communication	Programming	Data Handling
Year 4	Electronic Communication	Programming		Simulations and Modelling	Presenting Information – multimedia/ sound	
Year 5	Presenting Information – Create a webpage		searching: ranking	Data Handling	Programming	
Year 6	Programming		Electronic Communication	Presenting Information – Create an app	Data & Information	

Online safety runs continuously across all year groups and all computing topics.
